To get from Siem Reap International Airport to Karma Bayon, the quickest and easiest way is to take a taxi from straight outside the airport. Alternatively, our Karma Concierge team can organise a transfer for you. The drive is around 60 minutes, we do not recommend taking a local tuk-tuk for this length of journey with your luggage.

OFF-SITE GUEST EXPERIENCES

ANGKOR WAT

Located just a 15-minute drive from Karma Bayon, Angkor Wat is one of the most renowned and iconic temple complexes in the world. This iconic temple complex, a UNESCO World Heritage Site, is renowned for its majestic architecture and historical significance. As the largest religious monument in the world, Angkor Wat spans over 400 acres and was originally constructed in the early 12th century as a Hindu temple dedicated to Vishnu, later transforming into a Buddhist site.

MUSEUMS

Siem Reap's War Museum offers a solemn look back into Cambodia's tumultuous history, particularly during the Khmer Rouge era and the subsequent Cambodian Civil War. The museum is filled with artefacts, including military vehicles, weapons, and personal items from soldiers, which illustrate the country's struggle and resilience.

There's also the Cambodia Landmine Museum or explore the Angkor National Museum to learn about the region's ancient heritage.

Tonle Sap Lake

TONLE SAP LAKE

Set sail on a boat trip along Tonlé Sap Lake, which reveals the floating villages of Chong Kneas and Kampong Phluk. During the monsoon season, the homes appear to be hovering over the lake. But in the dry season? The homes, schools, and markets transform, whimsically positioned on towering stilts!

Don't miss out on the tour-guided kayak journey around the backwaters of Tonlé Sap after exploring the village on stilts.

Pub Street and Old Market

Bamboo Train at Battambang

Bat Caves at Battambang

PUB STREET AND OLD MARKET (PHSAR CHAS)

When visiting Siem Reap, exploring Pub Street and the Old Market (Phsar Chas) is a must. Pub Street is the vibrant heart of the town, renowned for its lively atmosphere, colourful lights, and bustling nightlife. It's packed with an array of restaurants, bars, and cafes, offering everything from traditional Khmer dishes to international cuisine. Just a short stroll away, the Old Market is a treasure trove of local culture and shopping. Here, you can wander through aisles filled with stalls selling fresh produce, handmade crafts, souvenirs, and unique Cambodian street food.

BATTAMBANG DAY TRIP

Around 2 hours from Siem Reap (it's worth the road trip, trust us), is the unique city of Battambang.

Two unmissable activities here include:

- **Bamboo Train:** This old train track constructed of bamboo is not for the faint-hearted, as you sit upon the open-air bamboo seats through the jungle. The end of the line boasts charming souvenir shops with plenty of friendly locals to chat with.
- **Bat Caves:** Be sure to hang around Battambang until sunset, when the famous bat caves come alive. Winding streams of bats leave the lush cave for their nightly flight, as tourists and locals alike pull up a chair and grab a snack to watch the sheer number of bats that live inside, you'll be amazed!
